

## FOR IMMEDIATE RELEASE

### **Professional Communications Systems Awarded Audiovisual Contract for Merck-Medco Pharmacy**

TAMPA, Fla., September, 2001 -- Professional Communications Systems, Inc. (PCS), a leading broadcast and audiovisual integrator, announced it has been awarded the audiovisual integration contract for the new Merck-Medco Pharmacy located in Tampa, Florida.

Merck-Medco conferred Professional Communications Systems the contract, which is greater than \$500,000, to provide and install all audiovisual equipment for its pharmacy. The pharmacy has numerous conference rooms, training rooms, reception areas, break rooms and a cafeteria that will feature large plasma displays, television monitors with audio control systems, and presentation systems. Included in the project is a presentation room that will showcase a 15' UXGA video wall for multimedia presentations.

Merck-Medco is the nation's leading provider of high-quality, affordable prescription drug care with expertise in health management. Merck-Medco clients include Fortune 500 corporations, unions, health maintenance organizations, Blue Cross / Blue Shield plans, insurance carriers and other organizations providing health benefit coverage. For more information on Merck-Medco, visit its Website at [www.merck-medco.com](http://www.merck-medco.com).

Professional Communications Systems is a leading audiovisual and broadcast systems integrator specializing in design, engineering, facilities planning and project management. PCS sells, services and supports equipment from leading manufacturers, enabling the company to deliver systems that seamlessly integrate audio, video, display and systems controls. PCS is a division of Media General, Inc. and is headquartered in Tampa, Florida with regional offices in Orlando, Jacksonville, Ft. Lauderdale, Miami and Albany, GA.
